Statement of intent

Broughton Jewish Primary School expects all pupils to receive high-quality teaching and learning in a positive and respectful environment.

Employees at the school should understand that their own behavior, and the manner in which they conduct themselves with their colleagues, pupils, parents and other stakeholders, sets an example.

We recognise that the majority of staff members act appropriately and treat each other with dignity and respect; however, we consider it important to clarify the expected standards.

This policy forms part of a staff member's contract of employment and failure to comply with it, and with the associated school policies, may result in disciplinary action being taken, including legal action where this is warranted.

This document applies to all staff members who are employed by the academy and charity, including the Academy Principal and volunteers.

This document does not apply to:

- Peripatetic staff members who may support the school.
- Employees of external contractors.

These employees are governed by their employment contracts and any relevant laws pertaining to their activities within the school, for example, the GDPR and the Data Protection Act 2018. School rules and procedures regarding safeguarding will be shared with all peripatetic staff and external contractors where appropriate.

Legal framework

- 1.1. This policy has due regard to all legislation including, but not limited to, the following:

 - The Working Time Regulations 1998 (as amended)

- 1.2. This policy also has due regard to statutory guidance including, but not limited to, the following:
 - DfE (2024) 'Keeping children safe in education'
 - DfE (2018) 'Working Together to Safeguard Children'
 - DfE (2018) 'Staffing and employment advice for schools'
- 1.3. This policy operates in conjunction with the following school policies and documents:
 - Child Protection and Safeguarding Policy
 - Health and Safety Policy
 - Data Protection Policy
 - Equal Opportunities Policy
 - Staff Leave of Absence Policy
 - Whistleblowing Policy
 - On-line Safety Policy
 - Acceptable Use Agreement
 - Photography Policy

Safeguarding pupils

- 2.1. In accordance with 'Keeping children safe in education' 2024, all staff members have a responsibility to safeguard pupils and protect their welfare.
- 2.2. All staff members have a responsibility to ensure that they provide a learning environment in which pupils feel safe, secure and respected.
- 2.3. To effectively safeguard pupils, staff members are required to follow the procedures outlined in this Staff Code of Conduct and the Child Protection and Safeguarding Policy, ensuring that they do not act in a way that may put pupils at risk of harm, or lead others to question their actions.
- 2.4. Staff should never be alone in a classroom with a pupil with the door closed.
- 2.5. In accordance with the school's Child Protection and Safeguarding Policy, staff members will be prepared to identify pupils who may be subject to, or at risk of, abuse and neglect, and will follow the necessary reporting and referral procedures.
- 2.6. Any staff member that has concerns about a staff member's actions or intent that may lead to a pupil being put at risk of harm will report this, in line with the Whistleblowing Policy, to the Academy Principal or DSL immediately so appropriate action can be taken.
- 2.7. If the concern is regarding the Academy Principal, staff will report this to the chair of the governing body who will report concerns to the LADO.
- 2.8. All staff will partake in the appropriate safeguarding and child protection training; additionally, all staff will receive regular safeguarding and child protection updates but at least every 18 months.
- 2.9. Staff will be aware that confidentiality will never be promised to a pupil – staff will understand the procedure for if a pupil discloses a potential safeguarding

issue, in accordance with the school's Child Protection and Safeguarding Policy.

Appearance and dress

3.1. The school expects that staff members will:

- Ensure that their appearance is clean and neat when at work or representing the school.
- Dress in a manner that is appropriate to their role – the staff dress code (including shoes) is smart rather than casual.
- Remember that they are role models for pupils, and that their dress and appearance should reflect this.
- Not dress in a way that would cause embarrassment to pupils, parents, colleagues or other stakeholders. The dress code of all children and adults must conform to the laws of Tznius (modesty), fitting in with the ethos of the school. This fits in well with standards of professionalism showing pride, effort, respect for oneself and one's profession. Adults in school are role models for learners in the school; therefore they have a responsibility to model appropriate dress and appearance. The image that we project as professionals is associated with how we present ourselves; the image of the school in the community is related to how all adults in the school dress. It is therefore important to dress appropriately when acting in a professional capacity.
- However, flip flops and revealing clothes, such as short skirts, short sleeves or low cut tops, are not permitted.
- Cover any tattoos or body art whilst in school; small discreet body piercings are acceptable.
- Staff should wear PE clothes and trainers when teaching PE. To be consistent with the expectations for the children, staff should change into these for the morning or afternoon session whenever the lesson is taught and PE clothes should not be worn throughout the day. Teaching assistants attending to support the learning of pupils in a PE or Games lesson should at a minimum have a change of appropriate shoes.
- BJCFPS is committed to promote diversity and will therefore respect individual preference in terms of customs, culture, religion and tradition.

- 5.8. Staff will act appropriately in terms of the views they express (in particular political views) and the use of school resources at all times and will not use school resources for party political purposes.

Conduct outside of work

- 6.1. Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school. The nature of the work cannot be seen to bring the school into disrepute, nor be at a level which may contravene the working time regulations or affect an individual's work performance.
- 6.2. Staff will not engage in outside work or activities which could seriously damage the reputation and standing of the school or the employee's own reputation, or the reputation of other members of the school community. In particular, criminal offences that involve violence, possession or use of illegal drugs or sexual misconduct are unacceptable.

- 9.2. For the purposes of this policy, a financial conflict of interest is one where there is, or appears to be, opportunity for personal financial gain, financial gain for close relatives or friends, or where it may be reasonable for a third party to take the view that financial benefits may affect an individual's actions.
- 9.3. The term 'financial interest' means anything of monetary value, including the following:
 - Payments for services
 - Equity interests
 - Intellectual property rights
 - Hospitality or gifts
- 9.4. Examples of financial interests that must be declared include, but are not limited to, equity interests in services considered for use by the school.
- 9.5. Non-financial conflicts of interest can also come into conflict, or be perceived to come into conflict, with an individual's obligations or commitments to the school. These interests may include any benefit or advantage including, but not limited to, direct or indirect enhancement of an individual's career or gain for immediate family or someone with whom the individual has a close relationship. Examples
- 9.6. of situations that could give rise to non-financial conflicts of interest include the following:

 - Where a member of staff has or develops a close personal relationship with a colleague
- 9.7. Membership to a trade union or staff representative group does not need to be declared.
- 9.8. Staff members will also carefully consider whether they need to declare their relationship with any individual where this might cause a conflict with school activities.
- 9.9. Failure to make a relevant declaration of interests is a very serious breach of trust and, therefore, if employees are in doubt about a declaration, they are advised to contact the school or trade union.
- 9.10. All declarations, including nil returns, will be submitted in writing to the School Business Manager annually.

 - Only contact pupils via the school's established mechanisms: personal phone numbers, email addresses or social media platforms must not be used to contact pupils.
- 10.2. Under the Sexual Offences Act 2003, it is an offence for a person aged 18 or over to have a sexual relationship with a child under 18 where that person is in a position of trust in respect to that child, even if the relationship is consensual.

Physical contact with pupils

- 11.1. The school understands that there are circumstances in which it is entirely necessary for staff to have physical contact with pupils, e.g. when applying first aid and assisting with intimate care, but staff will only do so in a professional and appropriate manner in line with relevant school policies.
- 11.2. When physical contact is made with pupils, it is imperative that it is conducted in a way which is responsive to the pupil's needs, is of limited duration and is appropriate to their age, stage of development, gender, ethnicity and background.
- 11.3. Staff will seek the pupil's permission, where possible, before initiating contact.

- 11.8. Extra caution will be taken where it is known that a pupil has previously suffered from abuse or neglect.

- 14.4. The school understands that some staff members are also parents of pupils at the school and, therefore, may wish to contact other parents. When doing so, staff will exercise their professional judgment and will not contact family members on social media if this would lead to a conflict of interest.
- 14.5. Staff will remain mindful of their use of social media and their web-based presence including written content, videos or photographs, and views expressed directly or indirectly which may bring themselves, the school or the school community into disrepute.

APPENDIX 1

Appearance & Dress

Dress Code for Staff

As Broughton Jewish Primary School is an Orthodox Jewish School, out of respect for the Jewish Religion, the following dress code forms part of the teacher's responsibility and must be observed whilst on site and on all School activities.

All Staff are expected to dress modestly and smartly.

Guidelines for all female staff:

- Skirts should **cover the knee** including when sitting down – consider when bending over desks
- Trousers are not to be worn
- Skirts should not have slits that go above the knee
- The legs should be covered either by an ankle length skirt, tights, stockings or leggings (under a knee length skirt)
- When teaching PE, female staff and children can wear track suit trousers for the activity at hand and change back **immediately** afterwards. (there is no need for a skirt to be worn on top during the sports activity)
- Sleeves should cover the elbows at all times
- Necklines should be high covering the collar bones – consider neckline when bending over desks
- Clothing should not be tight or gaudy

In exceptional circumstances (e.g heat wave) ladies are allowed to have bare legs as long as their skirts falls BELOW their knee. If the skirt length is only knee length, then tights etc must be worn.

Please note that there should be no physical contact between male and female staff

The Kodesh teacher has the additional responsibility of being a positive role model for our children, their parents and other Staff members. The School therefore expects the above guidelines to be adhered to by all Kodesh Staff members at all times, both in and out of School. In addition it is a requirement for married ladies employed in the Kodesh department to have their hair covered.

If you are inviting visitors into school please advise them of the dress code expectations to avoid any embarrassment.

The dress code of all children and adults must conform to the laws of Tznius (modesty), fitting in with the ethos of the school. This fits in well with standards of professionalism showing pride, effort, respect for oneself and one's profession. Adults in school are role models for learners in the school; therefore they have a responsibility to model appropriate dress and appearance. The image that we project as professionals is associated with how we present ourselves; the image of the school in the community is related to how all adults in the school dress. It is therefore important to dress appropriately when acting in a professional capacity.

Adults should be neat, clean, smart and tidy, wearing clothes, including shoes, which are commensurate with their post in the school. The staff dress code is smart rather than casual. This is not a policy meant to detail every eventuality, it is up to individual staff to decide whether their appearance is appropriate guided by the principles above. However, flip flops and revealing clothes, such as short skirts, short sleeves or low cut tops, should be avoided. Tattoos should also be covered and facial piercings should be discrete or covered. For health and safety reasons jewellery should be kept to a minimum and be appropriate to the role.

Staff should wear PE clothes and trainers when teaching PE. To be consistent with the expectations for the children, staff should change into these for the morning or afternoon session whenever the lesson is taught and PE clothes should not be worn throughout the day. Teaching assistants attending to support the learning of pupils in a PE or Games lesson should at a minimum have a change of appropriate shoes.

BJCFPS is committed to promote diversity and will therefore respect individual preference in terms of customs, culture, religion and tradition.

This information can be found in the Staff Code of Conduct Policy and the General Information for Staff Policy.

Anyone who is not sure about any issues is welcome to speak to Shelley Caplan or Lizzie Caplan for clarification.
